

SO260

Name: **Suspension clamp**
IMWS 25-95 mm² (with bracket)

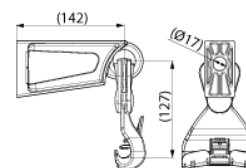

Type: SO260

GTIN: 6418677418914

Description: For suspension of LV ABC cables in an insulated messenger wire system (IMWS). Suitable for every climatic conditions. Bracket pre installed.

Package: 20/640

Unit: PCS

Technical specification

Mechanical

SMFL 12 kN

Dimensions

Weight 0.370 kg

Messenger diameter 8.5 ... 15.5 mm

Messenger conductor size 25 ... 95 mm²

Features

Includes bracket x

Use: Suspension clamp with bracket for anchoring insulated messenger wire system.

Construction:	Component	Material
	Plastic parts	UV resistant plastic
	Bracket	Corrosion resistant aluminium alloy

Installation: Messenger wire is installed into the groove and locked with the locking part.

Tools required: No tools required

Markings: ENSTO, SO 260, 25-95 mm², PS 1500

Standard: EN 50483-3
