# HJ11.3601C

Name: **Heat shrink joint**  
18/30 (36) kV Al/Cu 25-95 mm<sup>2</sup> 1-core with connector

Type: HJ11.3601C

GTIN: 6418677444944

Photo presented is indicative only

Description: The joint kit is used for jointing of max. 36 kV cables with XLPE insulation and copper wire shield. The kit is suitable for single core cables, containing the components for one core.

The kit includes the shear head bolt cable connectors suitable for both aluminium and copper conductors, and all the components needed for jointing: mastics, tapes, cleaning and grinding materials, heat shrink stress control tubes, insulating and semiconductive tubes as well as sealing tubes. The kit contains also copper mesh tape for shielding of the joint and shear head bolt connectors for jointing the cable shield wires.

Package: 0/1/30

Unit: PCS

## Technical specification
