HJ11.3603C

Name: **Heat shrink joint**
18/30 (36) kV Al/Cu 150-300 mm² 1-core with connectors

Type: HJ11.3603C

GTIN: 6418677444982

Description: The joint kit is used for jointing of max. 36 kV cables with XLPE insulation and copper wire shield. The kit is suitable for single core cables, containing the components for one core.

The kit includes the shear head bolt cable connectors suitable for both aluminium and copper conductors, and all the components needed for jointing: mastics, tapes, cleaning and grinding materials, heat shrink stress control tubes, insulating and semiconductive tubes as well as sealing tubes. The kit contains also copper mesh tape for shielding of the joint and shear head bolt connectors for jointing the cable shield wires.

Package: 0/1/20

Unit: PCS
